WHEELCHAIRS
THAT FIT YOUR CHILD

ZIPPIE SALSA M²

The power wheelchair for kids with superb indoor manoeuvrability and outdoor performance.

The ZIPPIE Salsa M²'s mid wheel drive base delivers the best possible indoor performance thanks to its ultracompact turning radius (670 mm) and small footprint. A narrow width of just 610 mm and low seat height make access very easy. Performing as good outdoors as it does indoors, the unique suspension system delivers a smooth, safe and stable ride even when travelling over slopes and cambers. The ZIPPIE Salsa M2 powered wheelchair can overcome obstacles of up to 75 mm and can travel up to 32 km on a full charge.

AGILE. COMPACT. VERSATILE.

// 60 AH BATTERIES

Range of 32 km according to the ISO standards.

// 2 OR 4 POLE MOTORS

Performance motors with 6 and 10 kph options.

// ANTI-PITCH & SUSPENSION

Enjoy a smooth ride over uneven terrain with minimal body movement.

// FOUR BODY COLOUR OPTIONS

blue, red, white & matt black

ZIPPIE
SALSA R²

The compact and powerful wheelchair with outstanding outdoor performance.

Thanks to the ZIPPIE Salsa R²'s powerful motors, 70 Ah batteries and chunky wheels, its a powered wheelchair with outstanding outdoor performance. Capable of climbing over obstacles of up to 100 mm and tackling inclines of up to 10°, the Salsa-R² can travel 32 km in comfort. In addition, the Zippie Salsa R²'s ultra-compact base and super-low seat height make access into vehicles, around confined spaces and under tables easy.

GO OUT AND EXPLORE THE WORLD
