Bulletin Subject: Re-introduction of Brilliant Purple on Quickie Manual Wheelchairs

Detail of Bulletin:

Due to lack of supply, Sunrise Medical was recently forced to remove four colours from our standard frame colour offerings. However due to unprecedented demand from our customers Brilliant Purple has been reintroduced and is now available to order across our Quickie manual Wheelchair Range. Orders Must be placed via our customer administration team and will be made live on Sunscript within the coming weeks.

Customers are now able to order Brilliant Purple.

We are sorry for the inconvenience this may have caused but hope that our customers can appreciate how we have reacted in sourcing new supply.

We believe this is a good example of how Sunrise Medical takes a pro-active approach to customer feedback and re-enforces our primary goal to provide a quality product range that improves people's lives.
