BULLETIN NO.:

TB UK040

DATE ISSUED

30/10/14

BULLETIN DETAILS

Product Group: Powered Wheelchairs

Model Affected: Zippie and Quickie Salsa R

Effective Date: 31st March 2015 | **Serial No. Effective From:** N/A

Bulletin Subject: Discontinuation of Zippie and Quickie Salsa R

Subject of Bulletin:

Following customer feedback and the desire to drive product innovation and improvements into our powerchair product range, the Quickie Salsa R² and R² HD were developed and introduced in 2013.

Since the introduction of the Quickie Salsa R² and R² HD demand from our customers for the Salsa R has reduced and has now reached a point where manufacturing of the Quickie Salsa R is no longer possible and for this reason it will be discontinued from 31st March 2015.

Spare parts will be available for at least 5 years following the discontinuation.

At this point we would like to remind our customers of the improvements made to the Quickie Salsa R² and R² HD:

- **Improved durability:** chassis rated to 160kg used on Salsa R² and R² HD
- **Increased stability,** delivered from a central battery location
- **Improved outdoor traction:**
 - Spring & damper suspension system
 - Adjustable COG optimises weight distribution
- **Improved indoor manoeuvrability,** via a shorter wheelbase
- **Compact overall width:** 60cm
- **Improved kerb climbing capability**
- **Salsa R² HD option** for larger and heavier clients

If you have not yet had the opportunity to see a Quickie Salsa R² and would like a demonstration, or would like to loan an assessment model, or receive support for an assessment, or you have a Salsa R and would like to discuss what we can offer you to upgrade it to a Salsa R² please contact your Area Sales Manager or Customer Services on 0845 605 66 88 Option 2.
