## BULLETIN DETAILS

**Product Group:** Manual Wheelchairs

**Model Affected:** Quickie Revolution

**Effective Date:** Immediate      **Serial No. Effective From:** N/A

**Bulletin Subject:** Quickie Revolution discontinuation

This bulletin is to inform you that the Quickie Revolution manual wheelchair has been discontinued as of 31<sup>st</sup> December 2014

Our system is now unable to accept new orders for the Quickie Revolution.

There has been a lower volume of Quickie Revolutions sold over the last few years, and component parts are becoming harder to source. Additionally, the new suite of Sunrise Medical manual chairs means that there are products available which meet the same specification of the Revolution, and are more modern and cost effective.
