As part of the continual evaluation of products carried out at Sunrise Medical, a review has been made of the colour options provided on UK built manual wheelchairs in the following range:

Due to reduced volumes and increased costs, the number of colour options available on these chairs will be streamlined as from 1st January 2016. The maximum colour range available on these chairs will be as follows from that date:

Brilliant Silver	Silver Moon	Brilliant Lime
Blue	Brilliant Marine	Brilliant Purple
Ruby Red	Brilliant Red	Silver Texture

Matt Brilliant Blue	Matt Black	

A review will be carried out on the availability of all colour options when used as spares, and a further update will be forthcoming when action has been decided on spares colour availability.
