

BULLETIN DETAILS

Product Group:	Manual	
Model Affected:	Helium and Argon ²	
Effective Date: 5th February 2016	Serial No. Effective From:	N/A
Bulletin Subject:	Discontinuation of short push handles (HUM030202 and AGN030202)	

Description of Bulletin:

As we continue to assess our products we are always looking for the best possible ways to make them easier to order and streamline options on the order forms. As a result of this from the 5th February 2016, the short push handles HUM030202 and AGN030202 (option codes from order forms) will be discontinued on both the Quickie Helium and Quickie Argon².

The long push handle design has also been updated and is a replacement for both.

Discontinued Short Push Handles

Long Push Handles

Benefits to the Customer:

The discontinuation of the short push handles makes using the order forms and purchasing simpler, as there are fewer options to choose from.

Literature affected:

- Parts Manual	N/A
- Order Form	To be updated
