Bestilling av deler:

Når du bestiller bør du også spesifisere prod.nr. for rullestolen.

When you place your order you should also specify prod.no. (S/N) for the wheelchair.

Utskrift:

Siden det er brukt gråtoner i dette dokumentet er det viktig at utskriften blir sendt til skriveren som gråtone (eller farge). Hvis man velger svart/hvitt blir gråtone rastret, det vil bli meget utydelig.

Printing:

Since this document contains grayscale you should print as grayscale (or color). If you select black/white the output would be of poor quality for the objects in grayscale.
