

QUICKIE®

X SERIES 2

NEW GENERATION POWER CHAIRS

XSERIES2

What is unique to the **NEW Generation X SERIES 2**

G3 TECHNOLOGY

Its unique interactive 6-wheel suspension and seat suspension together enhance the stability, mobility and comfort for the user like no other power wheelchair .

GRAVITY COMPENSATION

The unique suspension will distribute the weight over a larger footprint and improve the stability.

INTELLI-DRIVE™ TECHNOLOGY

This steer correcting feature improves maneuverability at low speed and helps maintain a straight trajectory for non-proportional specialty controls or when in latch mode in indoor or outdoor environments

SEATING OPTIONS

Eclipse Seat Frame

- In-field width, depth, back, armrest and legrest adjustment
- Wide range of seat sizes

ASAP Seat Frame

- 16-20" seat and depth adjustment
- Cantilever arms
- All power seat options
- Tilt, lift, recline, PELR

The logo for Quickie, featuring a stylized orange swoosh above the word "QUICKIE" in a bold, black, sans-serif font.

Xperience[®] 2

MID-WHEEL DRIVE

The **Quickie[®] Xperience 2™** is a mid-wheel drive power wheelchair offering excellent stability for better comfort. A short turning radius gives easy access to small spaces. The independent suspension provides users with a smooth ride by dampening the effect of day-to-day obstacles. The Xperience 2™ is one of the best options for users spending time inside and out. It is available in Standard, Heavy Duty or Pediatric.

Xplore 2 HYBRID

REAR WHEEL DRIVE

The **Quickie® Xplore 2™** is the most hybrid product available. This wheelchair offers the best of both worlds; the traction of a rear wheel drive and the short turning radius of a mid-wheel drive wheelchair. The fast speed of the Xplore 2™ makes it the ideal choice for someone spending a lot of time outdoors and who wants to go the distance. Safe and comfortable, the 6-wheel independent suspension is offered in Standard and Heavy Duty. The wheelchair come standard with transport brackets. Seat options: tilt, manual and power recline, and elevating seat.
