

# Technical / News Bulletin

UK

BULLETIN NO.:

TB 0522

DATE ISSUED

24/05/2017

## BULLETIN DETAILS

<b>Product Group:</b>	Versa Guide Chin Controls		
<b>Models Affected:</b>	Versa Guide Chin Controls		
<b>Effective Date:</b>	17 <sup>th</sup> June 2017	<b>Serial No. Effective From:</b>	N/A
<b>Bulletin Subject:</b>	New Switches for Versa Guide Chin Controls		

### Description:

Due to our supplier for the switches for our goose neck switch kit for Versa Guide chin controls ceasing manufacture we have had to source this from an alternative supplier. Therefore, the switches for this will now be slightly different. However, this will bring a number of benefits to the customer.

### Benefits now given to the Customer:

The new chin switches are coloured and easy to use along with the Versa Guide chin controls. Secondly, these new parts are backwards compatible therefore any parts that are currently in the field can have these parts fitted if required.

Old Design

New Design
