#### Description:

TB UK077 is official confirmation of the discontinuation of the Quickie Rumba effective commencing from Thursday 24<sup>th</sup> August 2017. Following many years of success in the market the Rumba has seen over the past year a decline in the popularity to the point where manufacturing is no longer a viable option. A replacement product can be found in the Quickie Rumba Modular which offers many of the same options as the Rumba while offering a more configurable product to the client.

Therefore all orders sent through for the Quickie Rumba from 24<sup>th</sup> August onwards shall be transposed on to a Quickie Rumba Modular order form and processed as such.

All spares or equivalents will continue to be maintained and supplied for 5 years.
