BULLETIN DETAILS

Product Group:	STERLING Compact "Boot" Scooters		
Models Affected:	Little Star, Little Gem 2, Pearl		
Effective Date:	July 2018	Serial No. Effective From:	
Bulletin Subject:	Discontinuation of the Sterling Little Star, Little Gem 2 & Pearl Scooters		

Description:

We are writing to advise that following a review of the Sterling Product Line, we have identified a series of products which will be discontinued by 1st July 2018 or while stocks last.

Although it is important to offer our customers choice and breadth in our product line, this is only viable where the products we offer are cost effective and in the current economic climate the recent changes in FX rate have made these products no longer viable to supply.

The scooters to be discontinued are:

- Little Star
- Little Gem 2
- Pearl

We anticipate stock being available for these models until June 2018, but please contact internal sales or your local ASM for more information and special offers on remaining stock.

Please refer to www.sunrisemedical.co.uk, or contact your Area Sales Manager for more information
