BULLETIN NO.:

TB UK120

DATE ISSUED

1/7/19

## BULLETIN DETAILS

Product Group:	JCM		
Models Affected:	Sunbeam and Triton 0		
Effective Date:	1/7/19	Serial No. Effective From:	N/A
Bulletin Subject:	Cadet Vinyl Upholstery available on the JCM Sunbeam and Triton 0		

### Reason for Change

Whilst the Sunbeam and Triton 0 are already popular products, the lack of a wipe-down material meant that they could not be used in certain situations even though it would suit the client's needs. This was particularly evident in places where infection control was a huge concern; Hospitals, Schools etc.

### Design Update

We are delighted to announce that we are now able to offer the JCM Sunbeam and Triton 0 in Cadet Vinyl Upholstery. This is the same upholstery that is already used on the Triton 1-3 and across the current range.

### Customer Benefit

The Cadet Vinyl upholstery is already well used on the JCM Triton so we know that it offers a great solution for clients who need the wipe down option, and this update will allow children who weren't previously able to use the Sunbeam and Triton 0 to have access to one of our best products.

The Sunbeam and Triton 0 will be available in the entire Cadet Vinyl colour range as below:
