NEW TROLLEY BAG

Shop-n-Go

ENHANCE YOUR DAILY ACTIVITIES

The Shop-n-Go trolley bag is the perfect accessory for your rollator, making daily errands and trips a breeze. Easily store and protect your groceries in the trolley bag, take them home safely with your rollator, and remove the bag effortlessly with a single movement thanks to the clever fastening mechanism. With smooth-running wheels and an extendable handle, you can pull the bag effortlessly, perfect for negotiating single stairs or when the rollator is not to be taken into the living area.

NEW LASER FUNCTION WALKER

LASER-GUIDED MOBILITY

The innovative laser function is now available for our Walker, specifically designed for patients with Parkinson’s. This feature provides visual cues to help initiate movement, improving gait and reducing the risk of freezing episodes. When freezing occurs, simply activate the laser line with a button on the push handles. By focusing on the line that appears on the ground, you can step over it and resume moving with ease.
