

QUICKIE

QXi

Design innovation, durability, and adjustability in one chair.
Quickie QXi: the lightweight value package

QXi

QUICKIE®

Live Without Limits.....

The Quickie QXi is a durable, lightweight folding wheelchair with quick and intuitive adjustments at an outstanding value. Designed for longer term use by the semi active or active user.

Quick and Intuitive Adjustments - Design innovation

Time is precious, so we developed & designed the chair adjustments to be made in less than one minute using only one tool.

- Center of Gravity
- Seat to Floor Height
- Camber
- Axle Spacing
- Back Height

Simple Option Mix

- Options include the most frequently used armrests, wheels, tires, and seat widths and depths
- NEW Exo Back Upholstry Offered with or without tension adjustability
- NEW Xcape Style Folding Height Adjustable Stroller Handles
- Swing-in/Swing-out Hangers with simple footrest adjustments and intuitive release levers
- Transit option

Durable Frame Design

- Ultra lightweight and durable aluminum frame with a 120 kg weight capacity
- Three arm cross brace that sits inside frame for a more rigid ride

Adjustable Axle

EXO Back Upholstry

5 Spoke Mag Wheel

Three-Arm Crossbrace

Folding Height Adjustable Stroller Handles
