Charge

Lateral Pelvis LH

Lateral Pelvis RH

Lateral Thigh LH - 2,5 cm

Medial Thigh - 2,5 cm

Lateral Thigh RH - 2,5 cm

POS. KIT

STEP 5

(P or blank)

* all positioning components are delivered with a stretchable water resistant inner cover to accommodate these components onto the Balance cushion.

JAY Balance Smart Part Number

When ordering a JAY Balance cushion with a height of 75 mm, please follow the next Notes

Width	Depth	Insert	Outer Cover	Pos. Kit		
JBALC	40	42	FL	M	P	EU
fixed	STEP 1	STEP 2	STEP 3	STEP 4	STEP 5	fixed

The part # above (JBALC4042FLMPEU) describes a Jay Balance cushion with 40 width and 42 depth, fluid insert, microclimatic outer cover and positioning components.

Additional explanations:

When selecting the PLA insert and the positioning option for your cushion, the water resistant inner cover will be automatically selected (here in this example it will be an inner cover which accommodates fluid insert and positioning components).

If any modifications of your cushion is needed please contact your Sunrise Medical authorized Customer Service.

* Note: A Balance Standard cushion has a different inner cover as the Positioning version. In case you want to change from Standard to Positioning (and versa vice) you need to order a suitable inner cover		
JAY Balance Obliquity Pads		Charge
Order 1 or 2 obliquity pads per side, depending on the level of obliquity that needs to be corrected. The pad has hook/loop on it and can be stacked (maximum 2).		
Obliquity pads can be stacked the following way: for PLA size A: order the obliquity pad size A - one side (RH or LH) - and additionally order the size B (RH or LH). For PLA size B, order the obliquity pad size B - one side (RH or LH) - and additionally order the size C (RH or LH). For PLA size C, order the obliquity pad size C - one side (RH or LH) - and additionally order the size D (RH or LH). Please notice that size D can only be ordered in combination with size C otherwise it will not fit in the PLA.		
☐ JBALCOP-ALH	Obliquity pad (left) for PLA A	
☐ JBALCOP-BLH	Obliquity pad (left) for PLA B	
☐ JBALCOP-CLH	Obliquity pad (left) for PLA C	
☐ JBALCOP-DLH	Additional obliquity pad (left) that can be stacked over obliquity pad for PLA C	
☐ JBALCOP-ARH	Obliquity pad (right) for PLA A	
☐ JBALCOP-BRH	Obliquity pad (right) for PLA B	
☐ JBALCOP-CRH	Obliquity pad (right) for PLA C	
☐ JBALCOP-DRH	Additional obliquity pad (right) that can be stacked over obliquity pad for PLA C	
Note: Cushions or inner covers purchased before February 2017 do not contain appropriate velcro attachment for the obliquity pads.
