SPARES MANUAL

This product is manufactured to comply with the Medical Device Directive 93/42/EEC.

Use of Illustrations & Text:

The illustrations and accompanying text set out in this document are the property of Sunrise Medical Limited and must not be copied or used for manufacturing, tendering or any other purpose without written consent from Sunrise Medical.

Ordering:

Item numbers shown as N/A are for reference purposes only and should not be used when ordering replacement parts. Always quote the correct serial number and part number.

Quality Management Systems:

Sunrise Medical Limited is accredited to ISO 9001: 2000, which is the internationally recognised standard for quality management systems, as well as ISO 13485: 2003, which specially governs Medical Devices. These approvals ensure that we provide quality in all areas of our business from development through to final delivery.

Parts Disclaimer:

It is potentially hazardous to fit or use any parts other than genuine Sunrise Medical parts. The company disclaims all liability for the consequences of such use, which in addition voids the product warranty.

This product is for the carriage of one person and must not under any circumstances be used for any other purpose.
