

SALSA n²

THE NEXT EVOLUTION
IN PERFORMANCE
AND STYLE

CHOOSE PERFORMANCE INDOORS...

Discover the next evolution in performance and style – the Quickie Salsa M².

Evolved from the Salsa M – the market leading mid-wheel-drive powerchair – the Salsa M² effortlessly balances superb indoor manoeuvrability with outstanding outdoor performance and head-turning style.

- ▶ Superior indoor manoeuvrability, thanks to the Salsa M²'s ultra-compact turning radius and Quickie's patented mid-wheel-drive technology.
- ▶ Get great access and control through narrow doorways, in lifts and around confined spaces with the ultra-compact base dimensions.
- ▶ Easily transfer into and out of your Salsa M², effortlessly access vehicles and under tables with the lower than ever before seat to floor height from 43cm (17") with powered COG tilt, or 45cm (17.5") with lift/tilt.

...AND OUT!

Evolved from highly-advanced technology and options from the Salsa M, the Salsa M² blends proven patented technology with a series of high-performance options from the Jive M.

- ▶ Enjoy a smooth and stable ride, even over rough terrain, with Quickie's patented all-wheel suspension - six independently suspended wheels absorb all those bumps.
- ▶ Quickie's anti-pitch technology eliminates pitching on slopes, and with all your weight located directly above the drive wheel to maximise traction you've never been in a safer driving position.
- ▶ More miles per charge! Take advantage of the ultra-efficient 4mph speed option powered by 60 Ah batteries and delivering 10% more charge than the original Salsa.
- ▶ Choose speed, torque and outright performance with the 120 Ah controller option and 6mph, four-pole high torque motors.

Whatever your performance or practical requirements, the Salsa M²'s range of options gives you the optimum balance between an exhilarating drive and great efficiency.

60 Ah Batteries

Range of 32 km according to the ISO standards.

2 or 4 Pole Motors

Performance motors with 6 and 10 kph options.

Anti-pitch & Suspension

Enjoy a smooth ride over uneven terrain with minimal body movement.

CHOOSE HEAD- TURNING STYLE...

The Salsa M² blends Quickie's true hallmarks of beautiful sleek design with an assertive stance and sporting performance - sure to turn heads.

- ▶ Stand out from the crowd with a selection of four body colours: matt black, classic white, vibrant red, or electric blue – there's a colour to suit every occasion and taste.
- ▶ Be seen with the Salsa M²'s LED bright lights and indicators integrated into the rear body panel for subtle styling.
- ▶ Make it your own! Customise your Salsa M² beyond the range of performance and style options with our Built-4-Me service, exclusively available through Quickie.

Whether you want to stand out from the crowd, turn heads in awe, or simply complement your outfit - with the Salsa M² you're always in style.

→ Four body colour options

built4me

...AND FUNCTION

Unparalleled performance and head-turning style doesn't mean compromising on practicality. The Salsa M² delivers great functionality:

- Flip-back armrests provide easy access in and out of your Salsa M² and allow for close access to desks.
- Effortlessly climb 7cm (3") kerbs and thresholds.
- A 30cm lift option gives you easy access to bars, cupboards and worktops.
- Drive your vehicle from the comfort of your Salsa M² or enjoy hassle-free transportation and peace of mind with the approved DAHL docking solution. The Salsa M² is crash tested and passed to ISO 7176-19.

Performance, style and practicality - without compromise. Choose from a wide range of options to perfectly tailor your Salsa M² to you and your lifestyle. Live without limits!

→ Fold-down backrest

The lift-off backrest ensures a compact size for easy transportation and storage.

SALSA M²

Approved for transport in a vehicle

The Salsa M² is transit tested in accordance with ISO 7176-19 and approved for transportation in a vehicle. The tests are conducted with a four-point-tie-down system and the optional DAHL docking system for an even easier fixation.

Every Salsa M² comes prepared for the DAHL docking station as standard - making fitting easier than ever!

Configure the Salsa M² to your individual needs – choose a wide range of options.
For further information on product options please see the Salsa M² order form.

// POWERED TILT MODULE WITH CENTRE OF GRAVITY ADJUSTMENT
