

EXIGO 30

The complete allround
wheelchair

The **Exigo 30** is a very well-equipped cross-frame wheelchair, which has just got even better. Its intuitive and simple adjustments, superb sitting comfort and high quality ensure that Exigo 30 satisfies requirements for both ease of maintenance and re-use. Most of the wide range of accessories available are compatible with the rest of Sunrise's wheelchair range.

The complete allround wheelchair

- Easy and quick to adjust, with intuitive graduated scales
- Functional, easy-to-understand and well-tested solutions
- Exceptional sitting comfort with high-quality Velcro backrest
- The market's narrowest all-round wheelchair, only 18 cm wider than the seat
- Well-equipped even as standard version

Leg support

The leg support can be adjusted to 70°, 80° or 90° – all in one unit. Provides easy adjustment and simplifies storage/logistics.

Armrests

Ergonomically designed armrests provide better comfort. The pads are depth-adjustable. The clothing guards are height-adjustable.

Aluminium bushing

Strong and stable bushing contributes to improved directional stability and makes the chair easier to roll.

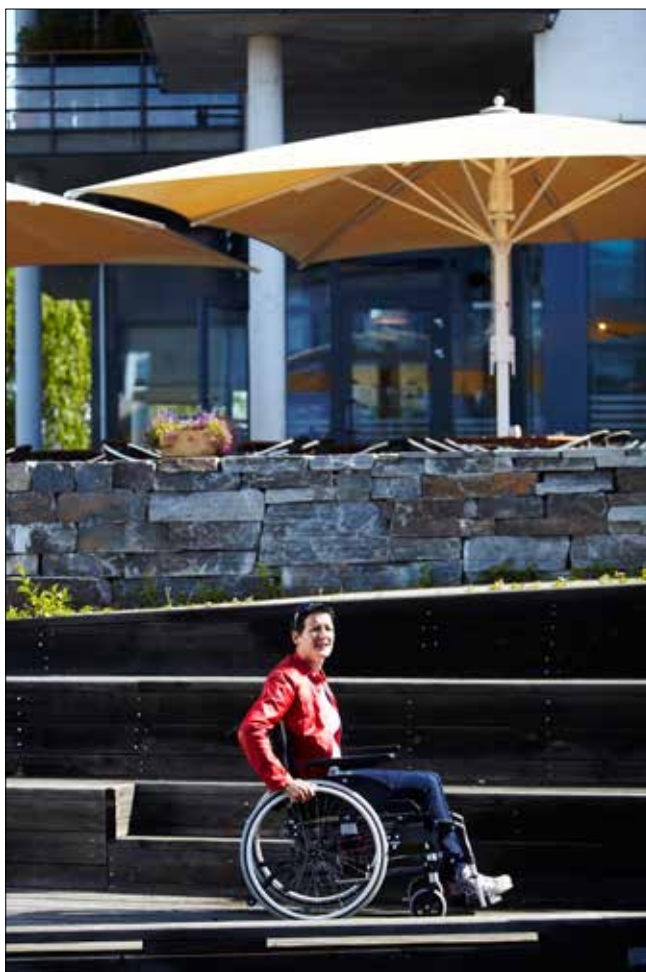

Exigo 30 X

The Exigo 30 X is available in seat width 54, 57 and 60 cm.

Tested and approved for user weight up to 160 kg.
