Bestilling av deler:

Når du bestiller bør du også spesifisere prod.nr. for rullestolen.

EAN-nummer

EAN-nummerne består av 13 siffer. De første sju sifrene (7070582) er konstante for alle varer fra Handicare. For å få komplett EAN-nummer, legger du til de seks sifrene i kolonnen EAN for den enkelt artikkel.

Salgsartikler

Enkelte artikler er merket S for salgsartikler uten at de inngår som naturlige salgsartikler for denne rullestolen. Årsaken til dette er at de inngår som naturlige salgsartikler i andre rullestoler som benytter samme artikkelregister

Placing orders

When you place your order you should also specify prod.no. (S/N) for the wheelchair.

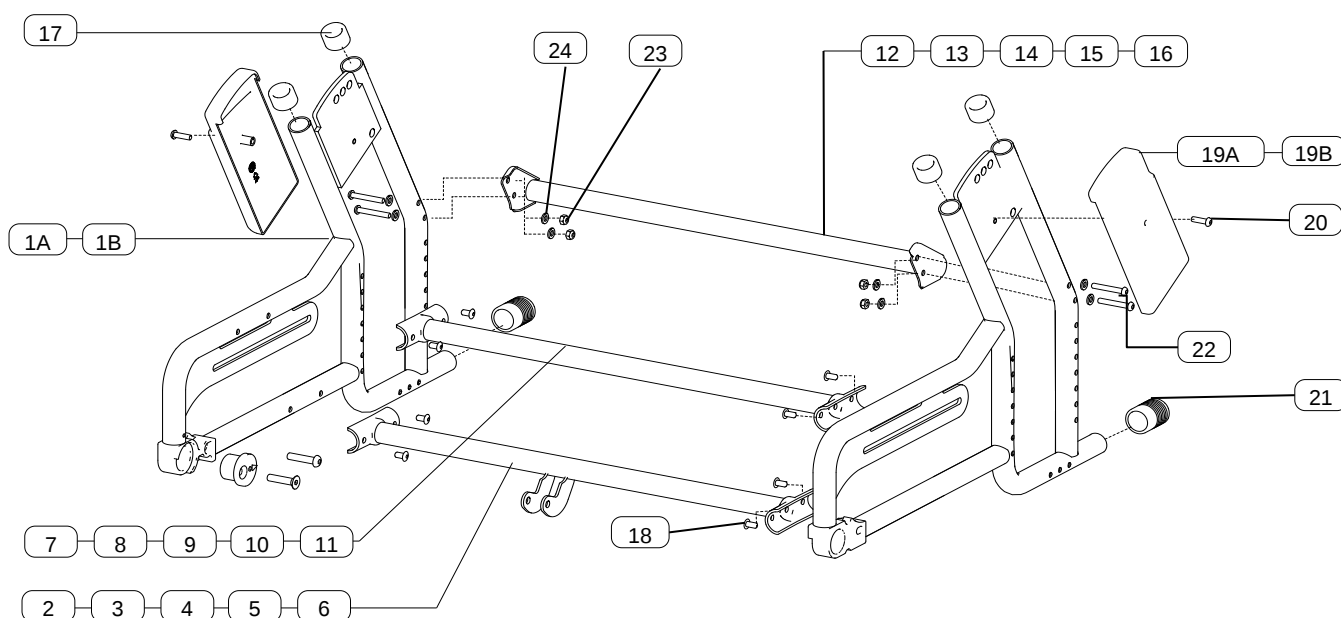

EAN-numbers

The EAN-numbers consists of 13 digits. The first seven digits are constant for all articles from Handicare. For a complete EAN-number, add the six digits in the column "EAN" for the specific article.

Sales articles

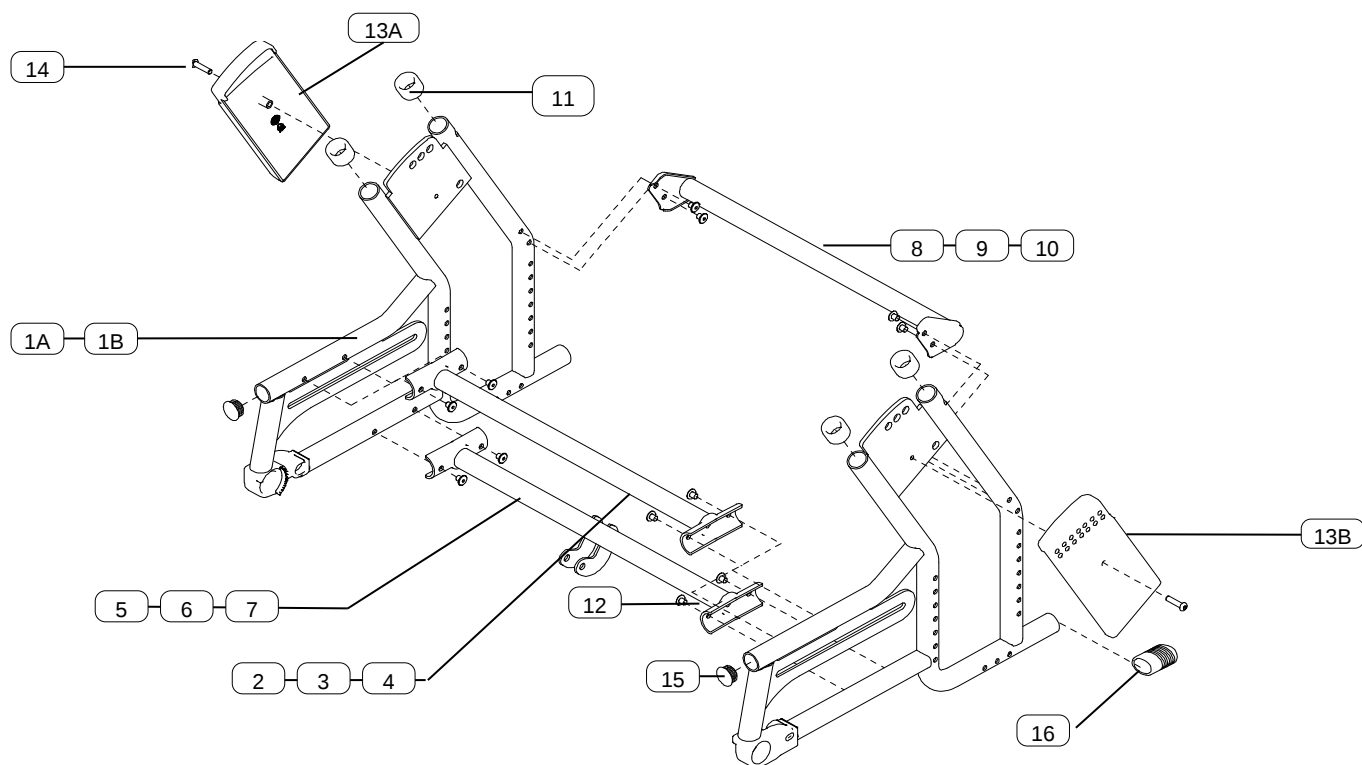

Some articles are marked S for sales articles though they do not include natural as sales articles for these wheelchair. The reason is that the articles includes natural as sales articles for other wheelchairs which uses the same article register
