

GEMINO

GEMINO 30 comfort

HIGH INDOOR **MANOEUVRABILITY** WITH OUTDOOR **PERFORMANCE**

Are you looking for a rollator that allows you to walk comfortably and confidently, in- and outdoors? Then a Gemino 30 Comfort rollator is the perfect choice for you.

Compact and lightweight with superb rolling characteristics and stability. With its large soft wheels this design rollator allows you to walk comfortably and securely, also on uneven terrain. Strolling the cobblestone streets in the old town or simply negotiating thresholds in your home? It'll all be so much easier with Gemino 30 Comfort!

The Gemino 30 Comfort easily copes with extra weight in the basket. For easy storage and portability by car – it quickly folds together. Ultimate comfort, wherever you go!

// WHEELS THAT MAKE THE DIFFERENCE

The large, soft wheels allow you to negotiate obstacle with ease. And ensure ultimate walking comfort – on any surface.

// EASILY HANDLING EXTRA WEIGHT

Lots of things to carry? The extra strong basket carries up to 10 kg.

// INDOOR AND OUTDOOR USE

Gemino 30 Comfort combines high indoor manoeuvrability with outdoor performance.
