## JAY UNION RP CUSHION

Stability and positioning with skin integrity protection

### Product Features:

- Medium to High Skin protection risk
- Contoured foam base with anatomical seat well and femoral loading
- MemGel® soft memory foam top layer for even pressure distribution, heat dissipation and comfort
- JAY Fluid Tripad for ischial immersion and envelopment
- Incontinence resistant inner cover, Microclimatic outer cover
- Reduced height profile (1" lower height) is ideal for medium to active manual chair users allowing reduced seat to floor heights for easier transfers and to aid optimal propulsion
