COMBINATION OF MOUNTING SYSTEM AND HEAD SUPPORT

P25AXYS ☐ Axs mounting + Plush pad 25cm

P36AXYS ☐ Axs mounting + Plush pad 36 cm

CCAXYS ☐ Axs mounting + LG contoured cradle

PLINX ☐ Linx mounting + Plush pad 25 cm

OTHER WHITMYER HEAD SUPPORT

- The head support combination should be done choosen type of pad and mounting system
- Optionally lateral supports and/or anterior can be selected

HEAD SUPPORTS (1) Choose the mounting system to complete the head support

PLUSH (1 piece)

P1900L ☐ Plush pad 48 cm

P1400L ☐ Plush pad 36 cm

P1000L ☐ Plush pad 25 cm

P800L ☐ Plush pad 20 cm

P605L ☐ Plush pad 15 cm

Specialty PLUSH

P808BL ☐ Plush pad ajustable big

P8044L ☐ Plush pad ajustable small

CONTOURED CRADLE (1 piece)

P400L ☐ Contoured Cradle big

P300L ☐ Contoured Cradle medium

P200L ☐ Contoured Cradle small

C-PLUSH (1 piece)

P4010L ☐ C-Plush big

P3010L ☐ C-Plush Medium

P2010L ☐ C-Plush small

Single Sub Occipital

SS10L ☐ SOFT pad 2 pieces (occipital Plush 25 cms+ sub-occipital adult)

SS8L ☐ SOFT pad 2 pieces (occipital adult + sub-occipital adult)

SS4L ☐ SOFT pad 2 pieces (occipital adult + sub-occipital pediatric)

SS3L ☐ SOFT pad de 2 pieces (occipital pediatric + sub-occipital pediatric)

Single Sub Occipital

Adult

SOFT8L ☐ SOFT pad 3 pieces Adult (occipital PLUSH 25 + sub-occipital size 1)

SOFT5L ☐ SOFT pad 3 pieces Adult (occipital PLUSH 20 + sub-occipital size 1)

SOFT2L ☐ SOFT pad 3 pieces Adult (occipital adult + sub-occipital size 2)

SOFT1L ☐ SOFT pad 3 pieces Adult (occipital adult + sub-occipital size 1)

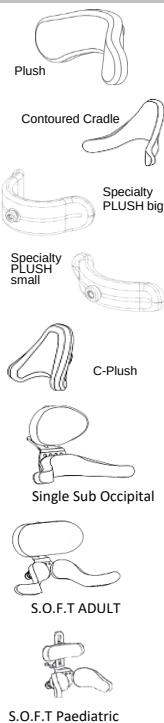

Pediatric

SOFT7L ☐ SOFT pad 3 piezas pediatric (occipital PLUSH 20 + sub-occipitales size 3)

SOFT6L ☐ SOFT pad 3 pieces pediatric (occipital pediatric + sub-occipitales size 4)

SOFT4L ☐ SOFT pad 3 pieces pediatric (occipital adult + sub-occipitales size 3)

SOFT3L ☐ SOFT pad 3 pieces pediatric (occipital pediatric + sub-occipitales size 3)

MOUNTING SYSTEM

Choose the pad type to complete the head support

AXYS ☐ AXYS Mounting system

LINX ☐ LINX Mounting system

PRO-A ☐ PRO Mounting system Adult

PRO-P ☐ PRO Mounting system Pediatric

CBRA7010 ☐ Cobra Folding mounting systme Adult

CBRA7030 ☐ Cobra Folding mounting system Pediatric

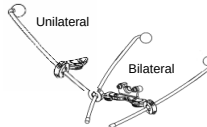

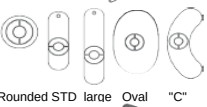

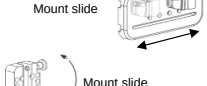

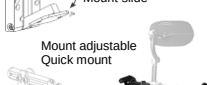

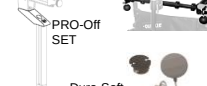

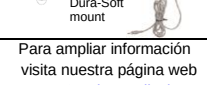

CBRA5010 ☐ Cobra Mounting system Xtra Adult

CBRA5030 ☐ Cobra Mounting system Xtra Pediatric

(1) All pads carry lycra covers as standard. To choose Vinilo cover (Dartex Reversed) replace the final L for a V from the refrence.

1. Guide to create the HEADS UP HEADREST PAD reference

Follow the steps below to get the reference for the Heads Up headrest pad.
All references must begin with

HU- _ _ _ _ _

Heads UP Pad

- STEP 1. Select size:** Early Childhood (I), Small (S), Medium (M) or Large (L)
STEP 2. Select pad height: High (T) or Low (S)
STEP 3. Select the length of the support arms: Long (L) or Short (S)
STEP 4. Select the foam: Standard (S)
STEP 5. Select type of cover: Lycra (L) or Vinyl (V)
STEP 6. Select occipital pad (optional)

STEP 1 - Select SIZE (neck width)

- ☐ Early Care, 7 cm (I)
☐ Small, 9 cm (S)
☐ Medium, 10.5 cm (M)
☐ Large, 13.5 cm (L)

STEP 1. WIDTH

Make a note of:
I for Early Intervention,
S for Small,
M for Medium or
L for Big

STEP 2 - Select PAD HEIGHT

- ☐ high (T) *Not available with occipital pad*
☐ Short (S)

High pad

Low pad (with occipital pad)

STEP 2. HEIGHT

Make a note of:
T for High Pad or
S for Baía

STEP 3 - Select SUPPORT ARMS LENGTH

- ☐ Long (L)
Length of 18.5 cm in Early Care and Small sizes and 23 cm in Medium and Large
☐ Short (S)
Length of 14.2 cm in Early Care and Small sizes and 18 cm in Medium and Large

STEP 3. SUPPORTS

Make a note of:
L for Long or
S for Shorts

STEP 4 - Select the FOAM

- ☐ Standard (S) *Optimal positioning*

STEP 4. FOAM

Make a note of:
S for foam

STEP 5 - Select CASE

- ☐ Lycra (L) *Durable, 4-way stretch*
☐ Vinyl (Dartex Reverted) * (V) *Indicated in cases of constant head friction. Longer delivery time*

STEP 5. COVER

Make a note of:
L for Lycra cover or
V for Vinyl case

STEP 6 - ACCESSORIES: OCCIPITAL PAD (optional)

Offers 2-piece head support (suboccipital + occipital). Not available with high pad

- ☐ For Heads UP size Early Care (Pediatric Occipital Pad) (05)
☐ For Heads Up size Small (Adult occipital pad) (06)
☐ For Heads Up size Medium (Plush 20 cm) (08)
☐ For Heads Up size Large (Plush 25 cm) (010)

STEP 6. ACCESSORIES (optional)

If you do not want any pad, leave this cell blank

Make a note of:
05 for pediatric occiput,
06 para occipital Adulto,
08 para Plush de 20 cm o
010 para Plush de 25 cm

NOTE: Packs with occipital pad according to the size chosen in Heads up (for another occipital pad size different from the one in the pack, order the piece separately at an additional cost)

Write here the complete reference of the Heads UP headrest

Ref.	STEP 1	STEP 2	STEP 3	STEP 4	STEP 5	STEP 6
HU-						

* All the cushions included in the sets on pages 2 and 3 have a lycra cover as standard. To order the Vinyl (Dartex Reverted) sleeve, the pad and mounting arm must be ordered separately, substituting the final L of the pad reference for a V and selecting the desired mounting arm on page 3.
