

Combination Agreement

The below mentioned products are in principle appropriate to be combined with the below mentioned **SMART BRAKE by SMARTGROUP AS** products provided that the combination is made expertly and according to the restrictions of both manufacturers. The restrictions can be asked at the manufacturers.

NIJLAND CYCLING product	SMARTGROUP product
Bicycles with either rim brakes or disc brakes*	SmartBrake modular, wireless brakes for - Hydraulic disc calliper - Hydraulic rim calliper - Brake lever, thumb brake, hand controller (separate or in combination) Components combined, mounted and adjusted according to user needs.

**) For certain bicycle models, there can be factors limiting the brake effect or mounting possibilities. For such cases, always consult SmartGroup prior to use.*

Please note that mounting and adjustments has to be done according to the NIJLAND and SMART BRAKE mounting instructions by authorized and skilled staff only.

The maximum values and restrictions (e.g. user weight) mentioned in the user manual of both manufacturers must be observed.

All bicycles where SMART BRAKE is mounted must have a secondary brake.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

The combination agreement has been made in two copies, one for each party. Authorized representatives of the parties have executed this agreement.
