*\*) For certain bicycle models, there can be factors limiting the brake effect or mounting possibilities. For such cases, always consult SmartGroup prior to use.*

Please note that mounting and adjustments has to be done according to the TOMCAT SNI and SMART BRAKE mounting instructions by authorized and skilled staff only.

The maximum values and restrictions (e.g. user weight) mentioned in the user manual of both manufacturers must be observed.

All bicycles where SMART BRAKE is mounted must have a secondary brake.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

The combination agreement has been made in two copies, one for each party. Authorized representatives of the parties have executed this agreement.
