<b>Product Group:</b>	Quickie Power	
<b>Model Affected:</b>	All	
<b>Effective Date: 02/05/2022</b>	<b>Serial No. Effective From:</b>	N/A
<b>Bulletin Subject:</b>	Immediate Shortage of Auto Connecting Legrests	

The issues surrounding the Global Supply Chain are well documented, and their reach across all industries has been far and wide. Unfortunately, these issues have led an **immediate shortage of Auto-Connecting Legrest Receivers** due to the fact that our suppliers are no longer in business.

Any orders currently in the system we will switch over to the standard hangers in order to complete the build of the chair.

The option code will be removed from the online configurator, and this also means that spare parts are affected so the following items are currently not available:

- 015539
- 015540
- 015541
- 21011004
- 21011005

We are working to source an alternative supplier for this item, but currently we do not have a timescale for when we can provide these again.
