 connects with your smartphone (download of neodrive app necessary) Records trip data such as average speed, maximum speed, trip distance, and total distance.

Letter of Acknowledgement

We herewith advise, that using the ATTITUDE Power with max. speed-settings higher than 6 kph is only permitted on public roads in certain countries and otherwise may only be used on private property.

In the absence of approval, in accordance with the road traffic laws, the ATTITUDE Power with speed-settings > 6 kph may not be driven on public roads, bicycle-lanes, or pavement. You need to inform yourself about the country specific legislation regarding usage and your legal obligations regarding the usage of the ATTITUDE Power with speed settings higher than 6 kph (10/15 kph). When you're travelling with your ATTITUDE Power, always check the specific legislation in the respective country.

When placing an order for a max. speed-setting > 6 kph, please confirm with your signature below, that you have understood the above information and that you only intend the usage of your ATTITUDE Power on private property.

I herewith confirm, that I am aware of the information above, and that I will strictly follow the country specific legislation.
