

# RelaX<sup>2</sup>

Durable, modern looking  
and comfortable

Fleet management...

- \* Durable and reliable aluminium design.
- \* Common and interchangeable parts and accessories across entire XFamily (UniX, Basix, Rubix, HeliX and Relax<sup>2</sup>)

## Adjustable...

Adjustable seat height, seat depth, back height, length adjustable armpads and infinite recline and tilt. The RelaX<sup>2</sup> can be tailored to your needs ensuring quick and easy assessment for unlimited comfort.

Infinitely reclining backrest for optimum positioning. Recline from 0° - 35°. Seat tilt from -3° - 25°.

Infinitely adjustable seat depth to accommodate developing needs. Adjustable from 42 – 50 cm

Height adjustable push handle: Easy to adjust for increased carer comfort. Makes it very easy to handle.

## Comfortable...

Breezy RelaX<sup>2</sup> maintains correct posture and ensures even pressure distribution. With anatomical shaped back with big lateral support for a safe and comfortable seating, even with reduced upper body control. The anatomical shaped seat with slight abduction and lateral support provides a long and comfortable seating. The abduction and side support keep legs in good position while avoiding sliding forward.

Slide on tray with elbow pads (option)

3 section adjustable and removable headrest with lateral adjustment (option)

Multi adjustable trunk support. Easy to handle (option).

## Configurable...

- 24"/22" solid wheels
- 16" rear wheel (only with drumbrake)
- Drum brake
- Slide on tray with elbow pads

- Abduction block
- Multi adjustable trunk support
- 3 section headrest
- Positioning belt

- Stump pad
- Space out kit armrest
- Shaped armrest
