

A man with glasses and a blue scarf is sitting in a teal Quickie wheelchair. A woman with red hair and glasses is leaning over him, adjusting something on his wheelchair. They are outdoors at what appears to be a fair or festival, with white umbrellas and a white picket fence in the background. A black dog is visible in the lower left corner.

QUICKIE
Live without limits.

EASY
200 / 300

The Benchmark in
active mobility...

EASY 200 / 300

The **Benchmark** in active mobility for many years...

NEW

Its high level of flexibility and individual adjustment account for the success of the Easy 300 and today, more than ever before, these features take centre stage.

Easy 300
Swing away version

NEW

A total concept, which will convince you again and again: three frame lengths, the very best in adjustments and compact construction – the Easy 200 is the classic in folding wheelchairs

Easy 200
Fixed Front version

Highly configurable

Excellent range of improved sideguards, backrests, wheels, footrests, **swing-away legrests (Easy 300)** and designed to meet all users needs. The new selection of upholsteries and options gives the Easy 200 / 300 a fantastic look.

Easy handling

Easy to fold with retaining strap and **quick release legrest (Easy 300)**.

Good driving characteristics with centre of gravity adjustment and rear wheel camber option.

NEW

New selection of back upholsteries with a wide range of different versions and an improved adjustability

NEW

New sideguard adapter for improved locking and sideguard flip up function

NEW

New des-sideguard with height adjustable armrest

Flip up and swing away footboard offers larger space for transfers (optional)

Elevating legrest with angle adjustable footrests for comfortable seating

Folding push-handles with a wide range of push handle options available

Easy 200 / 300
