

EASY 200 / 300

The Benchmark in
active mobility...

EASY 200 / 300

The **Benchmark** in active mobility for many years...

Its high level of flexibility and individual adjustment account for the success of the Easy 300 and today, more than ever before, these features take centre stage.

Easy 300
Swing away version

A total concept, which will convince you again and again: three frame lengths, the very best in adjustments and compact construction – the Easy 200 is the classic in folding wheelchairs

Easy 200
Fixed Front version

Highly configurable

Excellent range of improved sideguards, backrests, wheels, footrests, swing-away legrests (Easy 300) and designed to meet all users needs. The new selection of upholsteries and options gives the Easy 200 / 300 a fantastic look.

Easy handling

Easy to fold with retaining strap and quick release legrest (Easy 300).
Good driving characteristics with centre of gravity adjustment and rear wheel camber option.

Selection of back upholsteries with a wide range of different versions and an improved adjustability

Sideguard adapter for improved locking and sideguard flip up function

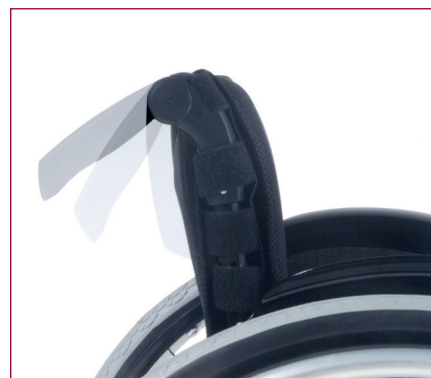

Desk-sideguard with height adjustable armrest

Flip up and swing away footboard offers larger space for transfers (optional)

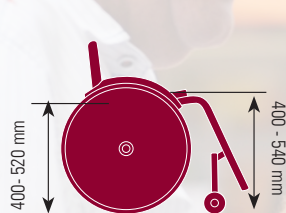

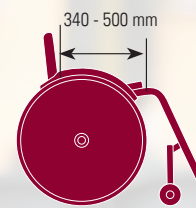

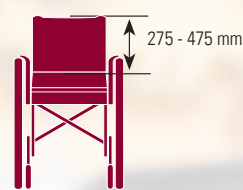

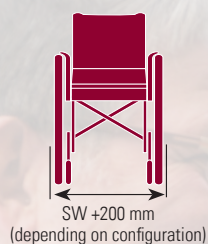

Elevating legrest with angle adjustable footrests for comfortable seating

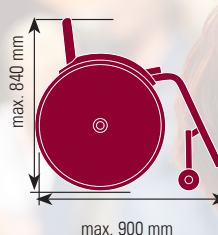

Folding push-handles with a wide range of push handle options available

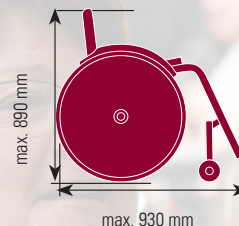

Easy 200 / 300
